## PROFILE

Recently graduated Computer Science student now a full-time Software Engineer at Vindico ICS. Known for a friendly, professional attitude with a range of customer-facing and technical skills. Proficient in various programming languages, operating systems, and cloud infrastructure. Has shown the ability to learn new technologies quickly and work efficiently in both local and remote settings.

## EMPLOYMENT HISTORY

### Software Developer at Vindico ICS, Llanelli

June 2023 — Present

- Rejoined Vindico ICS as a full-time Software Engineer, following the completion of Computer Science BSc at Swansea University.
- Focused on developing high-performance, scalable infrastructure to support the expanding needs of Vindico's application portfolio.
- Primarily using NodeJS for backend development, ensuring the effective management of data and smooth integration with frontend functionalities.
- Utilised cutting-edge technologies to develop secure and stable back-end services, processing complex datasets with efficiency and reliability.
- Collaborated with a diverse team of developers, using effective communication and teamwork to deliver high-quality software solutions.

### Software Developer at Vindico ICS, Llanelli

September 2021 — September 2022

- Using cutting edge technology such as Redis, Vue and Cuda.
- Creating scale-able back-end services for production apps and services, with a focus on security and stability, while also allowing for the processing of complex datasets.
- Developing dynamic web frameworks in Vue and Node.
- Utilising Machine Learning on complex datasets.

### Software and Web Developer at University Hospitals Dorset, Bournemouth (Remote)

July 2020 — January 2021

- Developing internal tools for the Business Intelligence Department, for managing permissions and file access
- Working with a mix of C#, Blazor and SQL
- Showed independence and proficiency in learning a completely new programming language and framework (C# and Blazor)
- Showed the ability to work in a remote environment efficiently and effectively

### Administrator at Royal Bournemouth Hospital Charity, Bournemouth

July 2019 — September 2019

- Temporary work over summer
- Front desk of charity office, presenting the charity in a friendly and positive manner over the phone and in person
- Worked well in a office environment

- Efficiently and accurately performed tasks such as filling forms, writing letters and counting money.

#### Customer Assistant at EZ Computers, Bournemouth

February 2017 — September 2019

- Worked well as part of a team in a busy retail environment.
- Sold services and devices to many customers.
- Presented the company in a positive light with quick and kind customer service
- Performed engineering tasks such as troubleshooting, maintaining and building computer systems.
- Developed communication skills by taking phone calls and interacting with customers face to face.

#### Volunteer at St Pauls Throop , Bournemouth

September 2016 — December 2018

- Volunteered with a youth group (School Years 3-5)
- Developed problem solving and quick thinking skills in a busy and ever changing environment
